*Spin the ball! I reel, I burn,
Nor head from foot can I discern,
Nor my heart from love of mine,
Nor the wine-cup from the wine.
All my doing, all my leaving,
Reaches not to my perceiving
Lost in whirling spheres I rove,
And I know only that I love.*

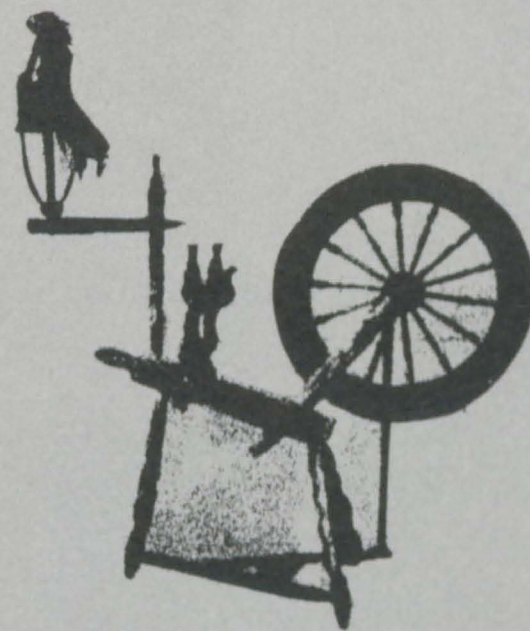

— Emerson

SHORT TERM

College Legislature met November 15 to discuss fundamental questions raised about Short Term by members of the community. The Board for Academic Policy drafted a number of rules and guidelines concerning the structure and administration for Short Term, which were then presented to the Legislature. Nearly all the proposals in the report were accepted, and they showed a strong general support for the existence of Short Term. The proposals which remained in question at the close of the meeting (concerning the sponsorship and organization of activities) were resolved later by Short Term administrator Bill Evitts and SGA officers.
